

ACA Youth Student Art Exhibition
Feb. 1-29, 2012

All children and teens who have taken a class, workshop or camp at the Arts Center in the last year are invited to display their work in the Annual Student Art Exhibition. These pieces are for display only (not for sale) and will be returned to the artist at the end of the exhibition.

If you would like to show your work, please fill out the attached registration form and label. Attach the label to the back of the artwork and return completed registration form, and artwork, to the Arts Center before January 27, 2012. You may enter up to 3 pieces in the exhibition, but they should be pieces from ACA programs.

Framed artwork must have *a wire hang for our wall system*. We are also able to display most unframed artwork. Three dimensional artwork should be on a stable base.
